Arron,

I have all the info on the thumb drive on my desk. There is a word doc on it which contains all that information which will be given to each person that is filing charges. It contains date, time, tagger names, tagger group name, etc.

Hey,

About to ask Linda about the police report.

What are some of the details she'd need to make in the report like date and time of incident.

And you've got a pic of the Sherry Theatre tag, right?
